

Curriculum 2018-2019 Teaching Coverage: Year Group 5

Add reference for the National Curriculum e.g. Pupils should be taught.....

Question	Do you prefer the film or the book? (Cinematography) Autumn 1 term time: 6 WEEK S 2 DAYS SWIMMING	What was life like in the trenches? (WW1) Autumn 2 term time: 7 WEEKS 2 DAYS SWIMMING	Where was Kensuke's Kingdom? (Kensuke's Kingdom) Spring 1 term time: 6 WEEKS 2 DAYS	Why did the Titanic sink? (Titanic) Spring 2 term time: 5 WEEK S 4 DAYS	How big is Space? (Space) Summer 1 term time: 4 WEEKS 3 DAYS	How do you survive a flood? (Flood) Summer 2 term time: 7 WEEKS 2 DAYS KINGSWOOD
Maths	Number: place value Number: addition and subtraction	Number: multiplication and division Statistics	Number: fractions Number: decimals	Number: decimals Number: percentages	Geometry: angles Geometry: shapes Geometry: position and direction	Measurement: converting units Number: prime numbers Perimeter and Area Measures: volume
English	<u>Fiction text:</u> Flotsam <u>Non-fiction text:</u> Persuasive letters	<u>Fiction text:</u> War Horse <u>Non-fiction text:</u> Diary writing	<u>Fiction text:</u> Kensuke's Kingdom <u>Non-fiction text:</u> Balanced arguments	<u>Fiction text:</u> Could you survive the Titanic? <u>Non-fiction text:</u> Formal letter writing	<u>Fiction text:</u> Cosmic <u>Non-fiction text:</u> Non-chronological reports	<u>Fiction text:</u> Flood <u>Non-fiction text:</u> Newspapers
Science	<u>Animals including humans</u> <u>Animals, including humans</u> Pupils should be taught to: <ul style="list-style-type: none">Describe the changes as humans develop from birth to old age. Pg. 129	<u>Micro-organisms (TBC)</u> Pg. 129	<u>Forces</u> Pupils should be taught to: <ul style="list-style-type: none">Explain that unsupported objects fall towards the Earth.Identify the effects of air resistance, water resistance and friction that act between moving surfaces. Pg. 132	<u>Properties and changes of materials</u> Pupils should be taught to: <ul style="list-style-type: none">Compare and group together everyday materials.Use knowledge of solids, liquids and gases to decide how mixtures might be separated. Pg. 130	<u>Day and Night</u> Pupils should be taught to: <ul style="list-style-type: none">Describe the movement of the Earth, and other planets, relative to the Sun in the solar system.Use the idea of the Earth's rotation to explain day and night. Pg. 131	<u>Living things and their habitats</u> Pupils should be taught to: <ul style="list-style-type: none">Explain the differences in the life cycles of a mammal, an amphibian, an insect and a bird.Describe the life process of reproduction in some plants and animals. Pg. 129
Computing	Pupils should be taught to: <ul style="list-style-type: none">Select, use and combine a variety of software (including internet services) on a range of digital devices to accomplish given goals, including collecting, analysing, evaluating and presenting data and information.Children to do this using information from different countries around the world – focusing mainly on those that Phileas Fog visited. Pg. 140	Pupils should be taught to: <ul style="list-style-type: none">Understand computer networks including the internet; how they can provide multiple services, such as the world-wide web; and the opportunities they offer for communication and collaboration.Focus on links to WW1, data collection and researching information from the war. Pg. 140	Pupils should be taught to: <ul style="list-style-type: none">Select, use and combine a variety of software (including internet services) on a range of digital devices to accomplish given goals.Use sequence, selection, and repetition in programs; work with variables and various forms of input and output.Making their own island based on Kensuke's kingdom and the island he lived on. Pg. 140	Pupils should be taught to: <ul style="list-style-type: none">Design, write and debug programs that accomplish specific goals, including controlling or simulating physical systems; solve problems by decomposing them into smaller parts.Use sequence, selection, and repetition in programs; work with variables and various forms of input and output.Create a game based on the titanic showing their understanding of the events that happened. Pg. 140	Pupils should be taught to: <ul style="list-style-type: none">Understand computer networks including the internet.Use search technologies effectively, appreciate how results are selected and ranked.Use technology safely, respectfully and responsibly; know a range of ways to report concerns and inappropriate behaviour.Researching information about space and collating onto the appropriate programme. Pg. 140	Pupils should be taught to: <ul style="list-style-type: none">Select, use and combine a variety of software (including internet services) on a range of digital devices to accomplish given goals, including collecting, analysing, evaluating and presenting data and information.Children to do this using information from different countries around the world – focusing mainly on those that Phileas Fog visited. Pg. 140
Geography		N/A	Navigation Pupils should be taught to <ul style="list-style-type: none">Use maps, atlases, globes and digital/computer mapping to locate countries and describe	N/A	Tim Peake Pupils should be taught to <ul style="list-style-type: none">Analyse and give views on the effectiveness of different geographical representations of a location (such as aerial images	Natural disasters Pupils should be taught to <ul style="list-style-type: none">physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes

			<p>features studied.</p> <ul style="list-style-type: none"> Use the 8 points of a compass, 4- and 6-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world (PE – orienteering) <p>Pg. 145-146</p>		<p>compared with maps and topological maps)</p> <ul style="list-style-type: none"> Name and locate some of the countries and cities of the world and their identifying human and physical characteristics, including hills, mountains, rivers, key topographical features and land-use patterns; and understand how some of these aspects have changed over time. Identify and describe the geographical significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle, and time zones (including day and night). <p>Pg 146</p>	<p>and the water cycle.</p> <p>Pg. 145-146</p>
History	<p>Cinematography</p> <ul style="list-style-type: none"> Changes in an aspect of social history or leisure and entertainment in the 20th Century <p>Pg. 150</p>	<p>World War 1</p> <ul style="list-style-type: none"> A significant turning point in British history, for example, the first railways or the Battle of Britain. <p>Pg. 148-150</p>	N/A	<p>Titanic</p> <ul style="list-style-type: none"> Changes in an aspect of social history <p>Pg 150</p>	N/A	N/A
PE	<p><u>Swimming and water safety (Indoor)</u> All schools must provide swimming instruction either in key stage 1 or key stage 2. In particular, pupils should be taught to:</p> <ul style="list-style-type: none"> Swim competently, confidently and proficiently over a distance of at least 25 metres. Use a range of strokes effectively such as front crawl, backstroke and breaststroke. <p><u>Netball (Outdoor)</u></p> <ul style="list-style-type: none"> Play competitive games, modified where appropriate [for example, badminton, basketball, cricket, football, hockey, netball, rounders and tennis], and apply basic principles suitable for attacking and defending. <p>Pg. 155</p>	<p><u>Swimming and water safety (Indoor)</u> All schools must provide swimming instruction either in key stage 1 or key stage 2. In particular, pupils should be taught to:</p> <ul style="list-style-type: none"> Swim competently, confidently and proficiently over a distance of at least 25 metres.
