Be Caring

**School Staff**

We expect you to be kind to one another: no teasing, name calling or bullying, but instead to play together and treat each other well.

**Croyland Children**

- We need to be nice to each other and help each other with our learning.
- We must ensure our hands and feet are not used to hurt others.
- We must let those who ask, join in our games and not leave them out.
- If we see that someone is hurt, we must help them by getting help quickly.
- We must notice and play with those who are on their own.
Be Ready

**School Staff**

We expect you to be on time for everything with your eyes and ears open for learning. We expect you to stop and wait immediately when asked to, or come with a member of staff without any arguments.

**Croyland Children**

- We need to be prepared and ready for what we have to do. This includes having everything in school that we need for the day including our lunch, reading book and P.E. and swimming kit.
Be Honest

School Staff

We expect you to tell the truth, even if you are in the wrong.

Croyland Children

- We must not tell lies to anyone.
- We must not tell tales about other children or adults.
Be Smart

School Staff
We expect you to look smart and be smart in your learning. This means wearing your school uniform and following these rules that make our school a safe and happy place.

- We must wear the correct school uniform, which has our name in it.
- We must tuck in our shirt and not stand with our hands in our pockets.
- We must sit up smartly and move around the school with our heads held high and our shoulders back.
- We must use our learning heads at all times and try our hardest.
- If we have a problem, we must talk with an adult.
Be Respectful

**School Staff**
We expect you to look after your belongings and the property that belongs to school and other children. We expect you to resolve your disagreements in a willing way.

**Croyland Children**
- This means that we can’t take things if they are not ours.
- We must not break things on purpose.
- We must look after our school and not drop rubbish.
- We must not destroy others work, especially if it is on display in classrooms or corridors.
- We must not hurt anyone’s feelings on purpose.
- We must not borrow things from people if we have not asked first.
- We must talk with an adult if we have a problem.
- We should put our belongings in our lockers carefully and put equipment away in the correct place.
Be Polite

School Staff
We all expect you to speak with the good manners you have been taught. We expect you think about how you answer when you are cross. We expect you to respond to a staff member’s request the first time you are asked.

Croyland Children
- If you are very angry and not able to answer politely and you know this, you should always use your safe space or the calm room.
- If someone holds the door, say thank you, don’t rush past them.
- We must always ask in a kind way and not just take or snatch.
- We must remember, even if we get cross, we must still be calm in our actions and words.
Be Resilient

School Staff

We expect you all to always give your very best, even if something is tough and is making your brain ache or making you feel a little nervous.

Croyland Children

• We must try, try and try because eventually we will succeed. This means we must never give up; we should always have a go and cut out the whinging!
• We must challenge ourselves to achieve a little bit more each day.
• We must always have a go, it does not matter if we get it wrong, we can be proud that we have tried and given our best.
Be Creative

School Staff

We expect you to remember your Green thinking hat if you have a problem, a challenge or something to sort out.

Croyland Children

• We must try and solve our problems and any challenges by thinking hard.
Be Global

School Staff
We expect you to think about how you are important to our community, to Wellingborough and the world and, about how you can make a positive difference for the good of others.

Croyland Children
• We need to have our eyes open to what is going on around us and think about how we can help it improve.
**Green Behaviours**

- **Green Time**
- Team points which are collected for following school rules/ Croyland values. These are accumulated through the key stage working towards bronze, silver, gold and platinum certificates and prizes from the team point shop.
- **Red carpet award**
