Dear Parents

Wednesday 24th June 2015

I am writing to you, because your children or child going to Croyland Primary School on the first day of school. You don't have to worry about your child because Croyland Primary School is the seafly school. When I was going to Croyland Primary School, I was little bit scared, but when I was in my class everyone was happy, then I was not scared. If your children or child scared say to them don't scared this is seafly school, don't worry. On the first day of school when I was going to Croyland Primary School of first day I was have friends, in my class is 3 polish people, but with me is 4 just one boy and 3 girls. So if you are polish and you don't know English, don't worry. I am in year 6 I was come to this school in year 5 now I'm going to year 7 and I know English, I can speak but not like English children. When I was in year 5 I was don't know English, but now I know. Here is lots of children from all different classe's

Dear parents of the new foundation cohort,
Hello, parents this letter is to inform you about Croyland Primary school. Now we know you are going through a hard time, wondering if your children are going to be safe. They are. We know they are one of your most prized possessions, so we are going to be the best we can be!

You should not be scared (as the teachers are going to help them through thick and thin). They will learn from mistakes and do their best. You will be glad you sent them here - as we treat each other all the same way, no matter what.

Now you might be worried about bullies. You shouldn't be, here at Croyland Primary school we have some children that help others, they are called listeners. They solve your child's problems whether it's about work or falling over on the playground. Also we have school councillors which can find a problem about our school and fix it so it's spick and span.

We have lots of things your child can use here, toys, tables, art and more. We have apparatus they can use like slides, climbing equipment so don't worry they will never get bored. We do have values. And all children should be expected to follow the Croyland way. Our rules are:

- Be Respectful
- Be Careful
- Be Honest
- Be Polite
- Be Creative
- Be Ready
- Be Smart
- Be Kind
- Be Global

Thank you for listening to us. We are sure your child will have a great time here.

Yours faithfully,

Lucy Denton a year six student from Croyland Primary School.

Dear Parents

We recently heard that you are worried sending your child here. I would like to inform you there is nothing to worry about, we have trained teachers here at Croyland Primary School. We have lovely teachers, Miss Bewick, Miss Deakin, Mrs Haynes, Miss Hayre and Mrs Stephenson. All these teachers care and treat children here well. All of the other teachers are nice too, they help children on a daily basis. All the children here are wonderful.

We have a padded playground for all the little ones with padded floor so when they fall over they won't hurt any bones in their body.

I guarantee your child will get a high level of education.

Dear Parents,

I know you are scared about leaving your children, but you don't have to be. Croyland Primary School is a very calm and caring school. We understand that your child / children will cry and cling on but the more you take them to school, the more they will enjoy learning lots of things they haven't known before.

If you are worried, you don't have to be because the amount of school councillors there are, and listeners to help a problem or if they want anything different to make our school a better place for everybody. We can do that.

Dear Parents,

I know it's a stressful time for you, but I would just like to reassure you that your precious child is going to be educated in safe hands. Croyland Primary School is a wonderful school and will look after your child well. As they grow they learn. You may be worried, but your precious child will be fine. They may have a few hiccups along the way but the brilliant teachers here will help them as much as they can. Your child will join in September and go to either Miss Cragg or Mrs Beavis, (they are both wonderful teachers). Miss Deakin is our magnificent headteacher and will also help your child along the way. Our behaviour system is great and we don't have rules we have The Croyland Way: Be respectful, Be honest, Be polite, Be Global, Be creative, Be ready, Be smart, Be kind, Be resilient.

Dear parents/carers

You have made a brilliant decision on bringing your child to Croyland School. Croyland primary school is the best school in Wellingborough, and you and your child are in for luck because this is the school where dreams are made.

Now let's talk about what happens inside of the school. This school turns boring learning into fun learning, lessons like maths and literacy and science all turned fun. Maths will help you get better with numbers and calculations. You'll be working your way up from easy math to hard math learning more each step you take. Fun P.E. lessons where you can go in side and outside to do P.E.. This school is full of so many other stuff but you'll find out about that later.

At this school every year in year 5 and year 6 we go somewhere called Kingswood and other places like that and you don't just go on trips in year 5 and 6 you go on trips every year

You have made a fantastic choice to choose Croyland we are a amazing school for your children. We make sure your children are safe from danger and well cared for.

We have loads of interesting things about our school we have a magnificent trim trail for lunch time activities, we have a gym which is delicious as well. Also we have lots of after school clubs like football, table tennis and basketball. Not only we have after school clubs we also have before school clubs like karate, fencing and archery. As well our lessons are entertaining and hilarious also we have like changing trips.

In my experience I have had lots of trips like London and Kingswood. And on top of all that I have made lots of friends. That's why you should come to Croyland.

Dear parents / carers,

I am pleased to write that you have chosen the perfect school for your child. Remember, you could've chosen anyother school, yet you came to Croyland. I will garentee that you will not be let down.

How many schools do you know where children get to design their own maths lessons, or have a pool and a football table, or don't have rules; Croyland Primary can fit into all of these things. We don't have rules here; we tread on the heels of 'The Croyland Way'!

My experience has been great here - we get to go on trips, we use picture books to inspire ourselves in year 6 - in Croyland Primary School. Croyland will be: "A happy school where we become experts in lots of things." - Jaiden Bailey.

Dear parents/cavers
You have made the ONLY possible choice for your young child by sending her/him to Croyland Primary school. You feel this is the best school in England, I mean what other school has a pool table, a snooker table and its own fitness trail.

The teachers mix fun with learning and all love a good laugh. We also have an iPad per class and more that children can use. Every Friday we have an assembly where one child from each class gets chosen to tell the whole school what they have done to get an award.

In my time at Croyland I have made a lot of friends the lessons are always fun, the staff always kind and the trips? Always fun. TO MAKE A LONG STORY SHORT; Croyland is fun!

We thank you for choosing us, Mrs Faithfull

Dear parents / carer's,
school can be a demeaning place for adults, let alone children, so that's why you pick Croyland. Its loving environment harnesses learning and writes of bullying in the act. The school's society isn't built for your child to squeeze themselves into but built around them ensuring safety and trust.

When I first came to Croyland (in year 2) I couldn't even spell my own name, and now I am working towards a level 6. That shows dedication from the pupil and the teacher.

Dear Parents/careers,

I am writing to you because I want you to know that you have definitely made the right choice. Your precious possession will cherish the memories of being at a great school. He/she will enjoy the 6 hours (9:30 to 3:30) at school they will love to come back the next day. This school is the best in Wellingborough.

I am also writing to you because if your child is worried about getting bullied, they should not worry because our school is a bully free zone. If they do get bullied it will be dealt with straight away. If it gets any worse there will be serious consequences with the head teacher (Miss Deakin).

Our school is also brilliant with trips. Year six, at the start of the year, went to visit London and went into the houses of Parliament, went on the London Eye and walked around a bit. They came back full of excitement and couldn't stop talking. The staff are lovely, they love working with the children and the children love working with them.

Dear Parents/Careers,

You have made an excellent choice sending your children to this wonderful school! I don't think you know how amazing we are! Have you seen any other school that has its own fitness trail? Or have you seen anywhere else that has these own pool tables? Well that's us. We don't want our children to be bored in lessons so we:

- Sometimes let them plan their lessons.
- Link the outdoors to our learning.
- Reward them for brilliant work.

What we don't do is make them copy from textbooks.

In our school we have unique facilities that help children develop their learning and social skills, by letting them be themselves. Their ideas are what helps Croyland get better. The staff, that don't just teach, are the most understanding people.

and they can help you with situations outside of school. I know this because they have helped me.

Also our trips are off the charts. Seaside, country houses, windfarms and many more! We all have loved them.

The reason I know this is because I am now a year 6 child that has seen it all. The teachers, lessons and most importantly the friends. They will not let you down. They are the most caring people, that stick with you till the end. They will help you when things are tough. I am extremely sad to be leaving in September because this has been the best seven years. There is no other place like this. But where we leave they will begin. And hopefully see it all. This school is amazing. And after all you must think so. You have chosen it. ☺

You made the right choice have you seen a school with a fitness adventure on their field. Free school meals if you don't work, lunch in the classrooms.

We go on many trips to the museum and go to zoo and residential in 5 and 6. Your kids could make friends that will be with them till year 6 our school dinners are healthy in the future of your kids they will have a enterprise which year 6 is doing now

The staff at our school are so lovely and happy. Lessons there are amazing because you plan them. Trips are amazing because they aren't as expensive like other schools. We raise money for cancer research so we help people who need it the most.

I am writing to you to say that Croyland is the best choice to send your loving child. Croyland is a school where the staff are really friendly and can help your child achieve big. Other schools around Wellingborough don't have some facilities like we have (A pool table and table football.)

Our lessons are made for children to have fun. Who doesn't want learning to be fun? Teachers are not mean at our wonderful school. Your education is our priority. As people say "Dream big, Achieve big!" I know it's a hard time moving to primary school, I experienced it, but with the teachers help, it is easier said than done

You have chosen the best and only choice in Wellingborough! Our school excels in quality. 'Friendly, amazing, intelligent.' These are only a couple of words that can describe the Croyland pupils. Your most prized possessions can become one of the Croyland pupils.

Our school is one of a kind. Do you know of a school (except Croyland) who use picture books in year six to make our writing stand out? Or who lets the children plan their lessons? Pupils enjoy coming to school. Croyland also has a trim trail for fitness and fun, which the year sixes of 2013/2014 designed!

From my experience I enjoyed school from day one. If your child is happy you will be happy and I assure you that your child will be cared for and make lots of friends on their

first day just like I did. This is my last at Croyland and I will cherish the memories I have made also the fun I have had.

No matter where you go the first day will always be scary but as soon as they enter those doors there will be no fear inside them just contentment. If you think school is meant to be fun; Croyland is the one. After I said that you may think Croyland students don't learn a great deal although we have fun, we learn, we learn alot. We accept everyone here, including your child, no matter what colour their skin is or whether they wear glasses because if everyone was the same, life would be different. It's your choice. We inspire minds and shape futures.

Yours faithfully,
Caitlin Parish.

Dear Parents/Carers,

Welcome to Croyland Primary! First of all, I would like to thank you for making the right choice. It can be difficult starting fresh, but Croyland will help. We can give your child the confidence they need to excel. Because, as our children put it: "Croyland will be a happy school where we become experts in lots of things."

We do not have strict rules here, moreover: we let the children decide what goes and what doesn't. The children also decide sanctions and values. Values are what makes us good, well-behaved; for example "Be Smart". We also have a zero percent bullying tolerance and will sort it out immediately on the rare occasions when it occurs. We don't like textbooks here, so we make our lessons as exciting as possible! How many other schools do you know

who let the children plan their maths lessons? Or who take the children outside for inspiration? Or who interact science with P.E? At Croyland, over the course of seven years, your child will experience these and so, so much more!

Over the years, the children have gained life long memories. Of lessons in which your child will cherish in. Of best friends made for life! Of incredible school trips to near and far. And of our charming, friendly and caring staff. All these, along with other indescribable opportunities.

So once again, thank you for choosing Croyland.

Yours Faithfully,

Charlie Byfield

Dear Parents/Carers,

I would like to say that you've made the right decision for your child to come to this school. We are a caring school as we respect all people from whatever religion they are. We are an enjoyable school at all times.

Our school dislikes bullying and to stop bullying at our school we have our own bully-community to stop it. We've got all sorts of before and after school clubs that your child will love. We also have a breakfast club that your child can go to before or after school. At lunchtimes your child can also go to clubs like: play-dough, dressing and all sort of clubs. Our school also has listeners all around at lunchtimes where your child can go to them with their problems.

At our school we all get to go on a lot of trips. In year 6 we got to go London and on the London Eye. In year 5 and 6 we got to go kingswood for 3 days. And in year 5 and 6 we got to go young voices. Our staff at this school are amazing they will always help you out and always be there for you. This was your choice.

Yours faithfully
Kinga
